✪ A message from us 学校的话 ✪

Dear parents,

Welcome to a brand-new year. The school year for 2022 started on 4 January, Tuesday and will end on 18 November, Friday.

We kick start the year with the celebration of the Year of the Tiger, which commenced at the end of this month. On the 31 January, Monday, the teachers celebrated **Chinese New Year** (CNY) with the children through activities like craft, singing CNY songs and even doing a lion dance. We hoped the littles ones had a Roar-some time!

This month, vaccinations were also now available for all medically eligible children aged 5 to 11. Before registering interest on the MOH National Appointment System (NAS) at child.vaccine.gov.sg however, do note that children who turn 5 in 2022 must have crossed their 5th birthday before they are eligible to book an appointment and receive the vaccination.

Sincerely, RTM Team

School event highlights 学校活动亮点

Chinese New Year Eve 31 January 2022
除夕夜 2022 年 31 月 1 日

We came dressed in the Chinese traditional wear and colourful clothing to celebrate Chinese New Year in school. Our teachers shared about the event with a Powerpoint presentation, songs and a story. We also tried our hand at doing a Lion Dance, a craft and a cookery of a delicious pumpkin cake! 新年快乐!
