## ★ A message from us 学校的话 ★

Dear parents,

September marked a momentous month for all teachers. Please join us in giving thanks to the amazing staff of RTM who tirelessly care for the little ones! Thank you also Rain Tree parents for preparing gifts and kind words for our teachers.

September is the month that saw an increase in community transmissions as well. Based on the situation, the Early Childhood Development Agency (ECDA) revised and further tightened safe management measures at preschools. For example, to disallow parents and unnecessary visitors into the school premises as well as encourage work-from-home parents to keep children at home where possible.

The measures may inconvenience families but we seek your cooperation as it will slow down the transmissions and allow our healthcare system to cope. The upcoming weeks will be crucial and it is important that everyone is extra vigilant, taking all necessary precautions to protect our students, staff and loved ones.

If you have not done so,

follow us on social media:  @rtmschoolhouse

Rain Tree Montessori Schoolhouse

Sincerely, RTM Team

Hooray, it's  
your birthday!  
生日快乐!

### Mid-Autumn Festival 21 September 2021 中秋节 2021 年 9 月 21 日

We celebrated Mid-Autumn Festival in school through a slides presentation by our teachers. We also sang some songs and made a paper lantern. In the afternoon, we learnt about the different phases of the moon through Oreo cookies. What a delicious and fun activity, yum!
