★ A message from us 学校的话 ★

Dear parents,

This month our children continue to be engaged in **November/December school holiday programme**. Apart from that, the teachers also conducted a **fire drill exercise** on 3 December, Friday for everyone to practice evacuation and be aware of how to safely exit the school. We also celebrated the much loved (and eagerly awaited) **Christmas** with the children by having a weeklong celebration in school from the 20-24 December. What a special way to end the final month of the year!

As we welcome the new year ahead, we could not help but take the time to reminisce how far we had grown. It seemed like yesterday when we opened our doors to the very first student in the early part of the year. Today, our community had expanded. More students are joining our family, and it is all thanks to your continuous patience, support plus valuable feedback.

We wish you a very Merry Christmas and a Happy New Year. See you in 2022!

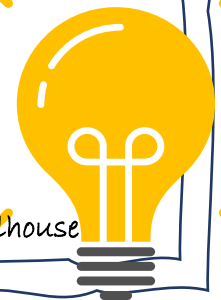

If you have not done so,

Fire Drill 3 December 2021 消防演习 2021 年 12 月 3 日

A fire drill with the scenario of a fire in the CASA classroom on the second level was conducted. We responded immediately by following us teachers' lead to move quickly but safely to the nearest fire exit and assemble at the carpark. When we returned to class, we discussed the purpose and importance of a fire drill. Moreover, took turns to share our feelings on the experience.

Christmas 20-24 December 2021

圣诞节 2021年12月20-24日

Christmas is finally here, and our teachers engaged us in activities to learn and celebrate this magical event for a whole week! We talked about and dramatized pictures relevant to Christmas. Furthermore, partook in activities where we played games, sang/danced to Christmas songs and worked on a craft (to make Santa's face or a Christmas tree).
